

Teckpak Part # 116996FL

Description: COOLER LINE FITTING, ALLISON 1000 / 2000 / 2400 Early (pre-'03) Bell Housing to Early (pre-'03) 5/8" lines.

Thread size: 3/4" -16 (male) to Early (pre-'03) 5/8" Tube - (13/16" Line) Quick Connect (female)

OE# 29540501

Details: This fitting connects the Early model (pre-'03) bell housing with the Early model (pre-'03) 5/8" line. The best way to determine if you have the "Early" style line is to slide a 13/16" boxed-in wrench over the end of the line. If the 13/16" wrench doesn't go over the flare... then you have the "Early" line. This "Steel" fitting is constructed from high quality materials and comes complete with clip & O-ring. This fitting does NOT contain a "Check Ball".
