

Teckpak Part # **96289**

Description: **COOLER LINE FITTING, FORD (3/8" Line)**

Thread size: 1/4 -18 NPSM (male) to 3/8" Tube - Quick Connect (female)

OE# F7DZ-7D273AA

Details: This fitting has two O-rings inside for a better seal and a groove on the outside of the fitting that allows a special retaining clip to be used to lock both the line and fitting together.

Fits: AXODE, AX4N, AX4S

96289 and Clip
shown together

Note:
